United States of America

Dear Sir:

This letter is filed in response to the Office letter dated May 17, 2007.

That letter indicates the balance of \$65.00 is due to top-up the fee deficiencies in accordance with our submission of August 1, 2006.

We respectfully submit that the Office has miscalculated the fees payable. As we understand the Office letter, when topping up fees they must be topped up to the current rate and not to the rate applicable at the time the original fees were paid. In our letter of August 1, 2006, the fees were topped-up to the rate payable at the time of filing in June 2000 and at the time the terminal disclaimer fee was paid in October 2001. The Office letter now seems to be indicating the top-up payments should be made to the current fee schedule. We submit, therefore, that the additional fees payable should be \$120.00 US. We calculate the fees as follows.

.../2

In June 2000 a filing fee of \$345.00 US was paid. On August 1, 2006 a top-up payment of \$345.00 US was paid. This totals \$690.00 US. As the current filing fee is \$790.00 US, the balance owing with respect to the filing fee should be \$100.00 US.

The terminal disclaimer fee paid in October 2001 was \$55.00 US. On August 1, 2006 the top-up fee paid with respect to the terminal disclaimer was \$55.00 US. Thus a total of \$110.00 US has been paid with respect to terminal disclaimer fees. As the current terminal disclaimer fee is \$130.00 US, the balance owing with respect to the terminal disclaimer fees is \$20.00 US.

Adding the two fee deficiencies of \$100.00 US and \$20.00 US, the total payable should be \$120.00 US.

Enclosed please find a credit card authorization form covering the \$120.00 US in government fees.

If, by chance, our calculations are not correct then any overpayment should be deposited in our deposit account. Details with respect to the deposit account are attached.

We await confirmation that the fees have been applied and that all is in good order.

Respectfully submitted,

Kimberley A. Lachaine

OFFICE OF PETITIONS

In re Patent No. 6,486,126 :
Issue Date: November 26, 2002 :
Application No. 09/599,958 : NOTICE OF FEE DEFICIENCY
Filed: June 23, 2000 :
Attorney Docket No. 44894 :

This is in response to your petition, filed August 1, 2006, for acceptance of a fee deficiency submission under 37 CFR 1.28(c).

The petition is dismissed.

The petition was accompanied by a \$400 credit card authorization to cover the initial filing fee of \$345 and \$55 terminal disclaimer fee. However, as the current filing fee is \$790, the \$345 filing fee was insufficient, since the fee that should have been submitted was \$445. Additionally, as the current terminal disclaimer fee is \$130, the \$55 fee submitted was insufficient by \$65. The Office adjusted the fees by applying one of the two \$55 terminal disclaimer fees received on October 5, 2001 towards the filing fee, leaving one \$55 terminal disclaimer fee. The Office applied the \$400 credit card payment towards the \$790 filing fee and \$45 from one of the terminal disclaimer fees, leaving a balance of \$10.

In sum, a balance of \$65 is due for the large entity terminal disclaimer fee (\$10+\$55+\$65=\$130).
